Goal is to educate college students on voting options this Election

The Los Angeles Registrar-Recorder/County Clerk (RR/CC) announced today a partnership with the California Student Vote Coalition to provide voter information at college campuses within the County. The goal of this venture is to inform students attending universities within Los Angeles County about registration and voting in the upcoming November 6, 2012 Presidential Election. The partnership includes a number of voter education events coordinated by the California Student Vote Coalition, throughout college campuses in Los Angeles County.

"With well over 100,000 students, Los Angeles County is home to some of the largest colleges and universities in the nation," said Dean Logan, Los Angeles County Registrar-Recorder/County Clerk, "Students living on campus and away from home should be up-to-date on their options for registering and voting."

The California Student Vote Coalition is a non-partisan effort led by the University of California Student Association and other local Student Public Interest Research Groups (PIRGs).

"Young voters today are the democracy of tomorrow, and it is essential that college students feel politically empowered to have a voice in the electoral process," said Logan.

In order to vote in the upcoming November 6th General Election, LA County residents must be registered by Monday, October 22nd at midnight.
