Los Angeles County Begins Mailing Sample Ballots for Presidential General Election

LOS ANGELES – The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) begins mailing Sample Ballots to voters for the Presidential General Election.

Sample Ballots contain critical election information related to candidates, measures, and how to safely vote by mail or in-person in this election.

Voters can easily access their Sample Ballot online using the new [Interactive Sample Ballot](#). The Interactive Sample Ballot is an optional tool that allows voters to review their ballot online and make their selections before voting in-person. Learn more about the Interactive Sample Ballot on [LAVote.net](#).

A new addition to the Sample Ballot book is the *Quick Check-in Code* on the back cover. Voters who choose to vote in-person should detach the panel or take their book with them to reduce time checking in at a Vote Center.

In mid-October the RR/CC will issue a personalized Vote Center postcard to every registered voter that lists the four Vote Centers near their home.

To ensure voters have convenient, accessible, and safe voting options, we will mail every registered voter a Vote by Mail ballot. We encourage all voters to participate in this election by safely returning their mail-in ballot. Information on how to Vote by Mail can be found on [LAVote.net](#).

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible, and transparent manner. For more information, visit [lavote.net](#).
